The Embassy of the Islamic Republic of Iran in Bulgaria strongly condemns the attack of the Zionist regime on the Iranian diplomatic premises in Damascus, which led to the martyrdom of several Iranian nationals, including military advisors, and the destruction of the Iranian diplomatic building. This heinous crime and cowardly terrorist attack is a clear violation of the United Nations Charter, international laws, and the basic principles of the immunity of diplomatic places based on the 1961 Convention on Diplomatic Relations and the 1963 Vienna Convention on Consular Relations, and is a serious threat to the peace and security of the region. The international community is expected to condemn this crime as clearly as possible and take necessary measures against the aggressor. The full responsibility for this barbaric and criminal act rests with the aggressor Zionist regime.
